K-2 Pajama Party/ Mini Lock-in

The older kids and youth of the church got to have their lock-ins; now it's your turn to see what all the fun is about in this mini-version of their all-night event! We'll play games, get to know each other, make ice cream sundaes and have a time of worship and devotion together. Wear your PJs and bring an ice cream topping to share in a "sundae buffet."

WHEN: Friday, March 20th
from 7:00-10:30 PM

WHO: All children in grades K-2 are invited. Friends and parents are also welcome!

*High School Students:
Let's Do Breakfast*

I'd love an opportunity to get to know you and hear your opinions and ideas for St. Peter's — all while getting a good breakfast to start our days! I know your schedules are jam-packed; but how about a short breakfast at a restaurant of your choice before school on late-start Wednesdays? My treat and I can drop you at school after. The 2009 Conference Youth Event at Camp Mo-Val was packed with high school students from across Missouri!

"Camp Sunday" is March 15th!

Have you ever been to church camp at Camp Mo-Val in Union? Did you know that there are different camps available each summer for first through 12th graders, families and many other groups? We are blessed with an incredible, fun and safe camp in our conference of churches! Come to church on the 15th and experience a taste of camp!

(Note: camp registration packets will be available from the Market St. hall youth bulletin board as soon as they arrive. To qualify for "early-bird" rates, please return all necessary forms and money to Pastor Leah by Sunday, April 5th.)

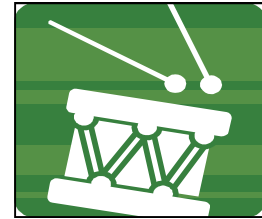

LOCK IN

Report

A total of 61 youth attended the two lock-ins held in January and February (31 seventh through twelfth graders and 30 third through sixth graders)! A fun time was had by all! The highlight of the night? Many say, the game "Sardines!" Thank you to the adult volunteers who made the nights possible! Because of you, a lot of youth have new memories of St. Peter's to cherish!

Four St. Peter's youth (Christina Sehrt, Brad Mittler, Noelle & Marie Kellermann) attended the first practice of a new "Sheltered Reality" drumming group forming in the area. SR is a non-profit, Christian organization that uses music to teach character education and the importance of reaching out to those in need.
