

St. Peter's Youth News

Hello St. Peter's youth and parents! Welcome to the youth-specific news of the newsletter. Each month, this blue page will provide info on upcoming events & general need-to-know stuff.

What should I do with this aging pumpkin/jack-o-lantern?

**Bring it to youth group (grades 7-12) on
November 15th, 6:30-8:00 for a
Smashing Pumpkin Contest!**

Well, I'm not sure that pumpkin pie will be the result, but there's no clip art for "pumpkin goo." Think trajectory calculations, force needed and creative technique, and bring your strategies to our next youth group gathering on the 15th.

**Please Note: Our second youth group gathering for
November will be on the 29th, 6:30-8:00**

Church: We need your help !

Confirmation Mentors

Are still needed for a couple of our confirmands.

Do you have just over one hour of time that you could give once a month? Future disciples of St. Peter's are in need of some one-on-one, in-class guidance as they journey toward the moment when they'll stand before you and pledge to join St. Peter's in our Christian walk. Can you help them get there? Contact Pastor Leah.

Boys and girls,
ages 3 through 2nd grade:

You are invited to ring our new
RAINBOW BELLS
in the Dec. 13th Christmas Program!

All your child needs to do is ring their bell anytime they see its color in the hands of the leader. Think he/she can do that and would enjoy filling worship with beautiful music?

Join us for a first practice/try on
Sunday, November 15th,
from 9:15-9:45 AM
in the auditorium.

Talking With Our Children

On Sunday, November 22nd, our St. Peter's church family will celebrate "Stewardship Sunday." As your family thinks and prays about how each of you might commit yourself to the work that God is doing through St. Peter's, we encourage you to talk and pray with your children too. We're never too young to start considering how we might give God our best through service to others, use of our talents, dedication of our time or sharing of our resources. Share with your children about what being a faithful steward for God means to you. Knowing kids, they'll probably have their own unique and blessed insights to share right back!

Progressive Dinner Hosts and Drivers Needed for December 13th

On the evening of
Sunday, December 15th, our 7th -
12th grade youth group will engage
in a home-to-home progressive din-
ner as they enjoy the company of
gracious church family members.
Would you enjoy hosting our youth
for an appetizer course? Course of
salad? Entrée (entry) course? Main
course? Following these courses,
all course hosts and youth will be
invited to the final dessert location
for desserts the youth will have
prepared and an Advent devotion.
Contact Pastor Leah if you are in-
terested in participating as a host
or a driver.
